The Boom Zoom Room Large Room Kit is the ideal solution for large conference rooms, boardrooms, or meeting spaces equipped with Zoom room setups. Includes the Boom MAGNA Ultra HD 4K PTZ Camera for exceptional video clarity, the expandable Boom GEMINI HD USB and Bluetooth Speakerphone for high-quality sound coverage, and the powerful Boom CAPO II Intel NUC with Windows 11 Pro for smooth performance. The Boom VISTA Android-Based Zoom Room Controller completes the package, providing intuitive control over your video conferencing setup. This kit delivers a comprehensive and seamless solution for high-performance video conferencing in expansive spaces.

Crystal-clear video

The Boom MAGNA Ultra HD 4K PTZ Camera provides exceptional video clarity with its ultra-sharp 4K resolution, ensuring that every participant is visible in the frame. With its advanced 20x optical zoom and pan/tilt capabilities, it ensures that even the largest rooms are covered with crystal-clear imagery.

Superior audio

The Boom GEMINI HD USB and Bluetooth Speakerphone delivers high-fidelity audio with full-duplex capabilities, ensuring that every word is heard clearly. Its built-in noise cancellation enhances the communication experience, and the device is expandable to suit larger spaces.

Complete connectivity

The Boom CAPO II Intel NUC with Windows 11 Pro offers smooth performance for seamless video conferencing, while the Boom VISTA Android-Based Zoom Room Controller provides intuitive, centralized control for easy operation. The system is compatible with all major conferencing platforms, including Zoom, Teams, Webex, and Google Meet.

Plug & Play. Always.

The Boom Zoom Room Large Room Kit makes setup effortless with simple plug-and-play connectivity. Designed for large conference rooms, boardrooms, and meeting spaces, this kit provides a comprehensive solution for high-performance video conferencing.

Zoom Room Large Room Kit

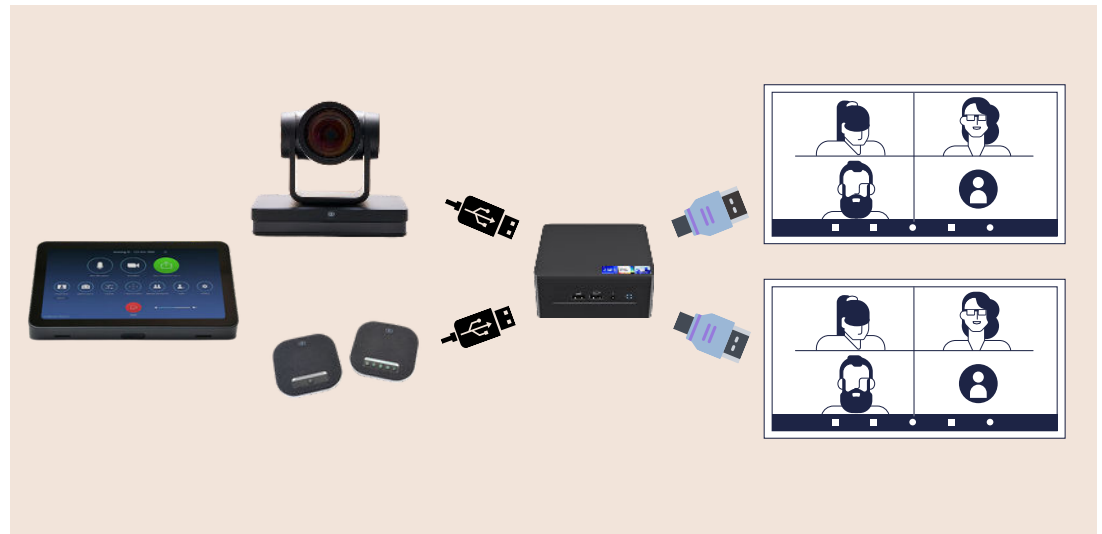

Designed for large conference rooms, boardrooms, or meeting rooms equipped with Zoom room setups.
