

EVOKO NASO ROOM BOOKING SYSTEM

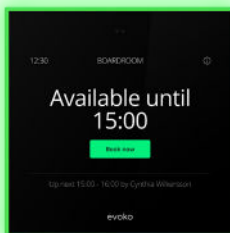

We believe that great design is when simplicity meets functionality at a point of minimalism where everything you need is available. This digital room scheduling system gets rid of double bookings, confusion on where to go and meetings that get interrupted. Evoko Naso takes care of room scheduling so you can focus on productive meetings.

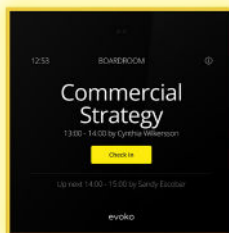

Easy installation without need to setup local servers. Updates are installed easily thanks to the cloud.

Adapt the solution to your needs, easy to combine with Evoko Desk Scheduling.

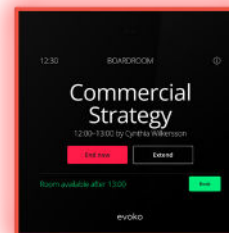

A room scheduling system should be more than a list of features. We believe it must be easy to use and that it should look sublime in any office. Evoko Naso rocks our trademark intuitive light signals to guide you to the right room and clearly see the room status from a distance.
