

EVOKO LISO ROOM MANAGER ROOM BOOKING SYSTEM

Evoko Liso Room Manager is a self-hosted device for easy interaction and room booking. This is the heart of our self hosting suite, a room manager that brings all the features you need in a self hosted room booking system. Placed outside any meeting room it is clear and visible who has booked the room and for how long.

With this solution you will have full control over your self-hosted server installation and devices.

Pay a one-time cost and receive product support and free updates.

A room booking system should be more than a list of features. We believe it must be easy to use and that it should look sublime in any office. Evoko Liso Room Manager rocks our trademark intuitive light signals to guide you to the right room and clearly see the room status from a distance.
